High Commission of India
Kampala

PRESS RELEASE

'Study in India', is a unique initiative of the Government of India, under the aegis of the Ministry of Human Resource Development (MHRD), that will help facilitate the student fraternity from all across the globe to come and experience the best of academic learning from the top institutions in India. "Study in India" was successfully launched by Govt. of India on 18 April 2018. The bedrock of this program is *'the state of the art website – www.studyinindia.gov.in'*, duly supported by a robust helpline *[Toll free no. +91-9899-450-350],* where students can register themselves and give their preferences. Then according to their choices & eligibility criteria, they will be allotted courses and institutes options.

Study in India, along with top select Indian institutes and universities is conducting **Study in India Education Fair** in Kampala to promote Indian Higher Education in Uganda. The Study in India Education Fair in **Kampala** is being held on **18-19 March 2019** at the **High commission of India, Kampala** premises. The Study in India Education Fair was jointly inaugurated by **His Excellency, Shri. Ravi Shankar, High Commissioner of India to Uganda and Shri Deeptiman Das, Executive Director of EdCil,** the agency incharge of promoting Indian education abroad**.**

The objective of the fair is to inform students about the wide variety of courses offered, scholarships provided and fee waivers. Study in India is offering around **19000+ seats** to the foreign students, out of which **9500+ Fee Waived seats**, with **1500+ courses** ranging from fields as diverse as Artificial Intelligence to political sciences. Government is also offering **scholarship** of up to **USD 12000** to top meritorious students.

The institutes participating in the Study in India Education Fair in Kampala are:

1   National Institute of Technology Silchar

2   Andhra University

3   Marwadi Education Foundation's Group of Institutions

4   GITAM(Deemed To Be University)

5   Veltech Rangarajan Dr. Sagunthala R&D Institute Of Science And Technology

6   Sri Ramakrishna Engineering College

7   Rathinam College Of Arts And Science

8   Siksha 'O' Anusandhan

9   Thapar Institute Of Engineering And Technology

10   Acharya & B M Reddy College Of Pharmacy

Study in India has seen a huge interest from Ugandan students and has received around 500+ registration till now. The program aims to make India the preferred destination for education leveraging value for money and globally competitive standard of education. The program involves partnership with more than 100+ premier education institutes in India as per the National Assessment and Accreditation Council (NAAC) and the National Institutional Ranking Framework (NIRF).
