ICCR will only pay hostel fees and not mess charges or security deposits/ caution money. **Once the hostel seat is allotted, no HRA will be paid to the scholar if they vacate the hostel.**

This would be decided depending upon the course/research work the student is involved with.
- **If a student decides to return to his/her country before the completion of the course, he/she would not be entitled to a return passage (in cases where ICCR has agreed to pay international airfares). The expenditure would need to be borne by the scholar himself/herself. On returning to his/her country, he/she is required to refund the amount of airfare paid by the Indian Mission for travel to India as well as the scholarship amount paid by ICCR during his/her stay in India.**
- ICCR will not pay airfares or any other expenses related to students travelling outside India during vacations or during the duration of the course.

Reimbursement of Medical Claims

- In case of illness, a student should first visit the University/Institute's clinic for treatment. **The student may, subsequently visit a Government hospital or a Private hospital on the CGHS/University's panel with the written recommendation of the University's Medical Officer, and only if that particular medical treatment or procedure is unavailable in the University clinic.**

- No reimbursement will be made against expenditure in tonics, dental, artificial aids, spectacles, acne treatment and any other item not covered under CGHS norms.

- All claims to be submitted within one month of the treatment for reimbursement.

Guidelines for Shifting from Hostel to Private Accommodation

- Any student intending to change from hostel to private accommodation should obtain prior permission from ICCR. For this they should first get a “No Objection” and “No Dues” certificate from Hostel/Institute authority and forward the same to ICCR (all in original) alongwith his/her application. Failing to obtain prior permission might entail rejection of their request subsequently. Frequent changes are not allowed.
- **Change from hostel to private accommodation would not be allowed in the middle of the academic session.**
- After shifting, the student must submit the latest residential address to the Council if not submitted before.

Mandatory Attendance

- Students must ensure that they have completed the mandatory attendance as required by that particular University to be eligible to take their exams. The Council will not issue any recommendation letter if the scholar is short of attendance.
- Council would not extend the scholarship period if the scholar is detained/debarred from sitting in the exam due to shortage of attendance.

Return journey to home country

- Students should leave the country immediately after the completion of their studies. Under normal circumstances, the time gap between completion of studies and final departure should not exceed one month.
- A scholar wishing to travel outside India during the course of study for personal reasons may do so at his/her own expense and with the prior permission of ICCR and the Institute where he/she is studying.

Discontinuation/Cancellation of Scholarship

- Generally ICCR discontinues scholarship payment when a scholar fails in his/her examination. The student is then asked to clear his/her examination as a self-financing student, with the clear understanding that ICCR would revive his/her scholarship only after he/she clears the examination successfully within one year. If he/she fails again, the scholarship would be cancelled.
- Scholarship could be cancelled if the scholar fails repeatedly or is involved in exam-malpractices/anti-social activities, or is found violating the terms and conditions of ICCR scholarships.
