

**High Commission of India
Nicosia (Cyprus)**

Dear All,

In these trying times of COVID-19 pandemic, I want to personally extend you all the support of the High Commission to remain healthy and safe. In pursuance of the same please follow the latest guidelines that are being highlighted by our Government.

Government of India has suspended arrival of all commercial air traffic as a temporary measure to contain the spread of corona virus starting from 22 March for a week. It is requested to all Indian nationals and OCI card holders to avoid all non-essential travel to India. It is also requested to maintain all the precautionary measures to stay safe.

2. Our Ministry of external affairs has set up a 24×7 covid-19 Assistance Centre to help disseminate information to the families, friends and relatives of stranded Indian abroad and to also facilitate information on diagnostic/treatment centers as well as updated travel restrictions and advisories into/from India
